Spirit of Jesus we awaken now

Our hearts are set on you, We're crying out

And through You we come alive, We come alive

## **INTERLUDE**

## **BRIDGE**

When You breathe, When You speak

Mighty sound, Revival is rising

Overflow in our lives, Like the tides

Revival is rising

## **VERSE 3/ENDING**

Lord of the breakthrough You are in this place

Setting the captives free and breaking chains

**VAMP/LEAD** (lyrics for interlude possibly)

We prophesy to the dry bones

You shall praise the Lord

We declare to the blind eyes

You shall see the light

We prophesy to the dead dreams

Rise in Jesus name

We say hearts be open

Nations declare His praise
